

UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF MICHIGAN
NORTHERN DIVISION

STEVEN BURDAN,

Petitioner,

v.

Case No. 2:07-cv-37
HON. GORDON J. QUIST

JEFF WHITE,

Respondent.

_____ /

**OPINION AND ORDER APPROVING MAGISTRATE JUDGE'S
REPORT AND RECOMMENDATION**

The Court has reviewed the Report and Recommendation filed by the United States Magistrate Judge in this action on March 27, 2007. The Report and Recommendation was duly served on the parties. The Court has received objections from the Petitioner. In accordance with 28 U.S.C. § 636(b)(1), the Court has performed *de novo* consideration of those portions of the Report and Recommendation to which objection has been made. The Court now finds the objections to be without merit.

The report and recommendation found that Petitioner's habeas corpus action was properly dismissed because a Michigan prisoner does not have a liberty interest in parole. Petitioner now asserts that he is only seeking a new parole board hearing based on correct information. However, claims for habeas corpus relief are proper when they challenge the fact or duration of confinement. 28 U.S.C. § 2254; *Preiser v. Rodriguez*, 411 U.S. 475 (1973). If Petitioner is not seeking such relief, then his claim may not be brought as one for habeas corpus relief.

THEREFORE, IT IS ORDERED that the Report and Recommendation of the Magistrate Judge is approved and adopted as the opinion of the court and Petitioner's application is DISMISSED pursuant to Rule 4.

IT IS FURTHER ORDERED that a certificate of appealability is DENIED as to each issue raised by the Petitioner in this application for habeas corpus relief. Under 28 U.S.C. § 2253(c)(2), the Court must determine whether a certificate of appealability should be granted. A certificate should issue if Petitioner has demonstrated a "substantial showing of a denial of a constitutional right." 28 U.S.C. § 2253(c)(2). This Court's dismissal of Petitioner's action under Rule 4 of the Rules Governing § 2254 Cases is a determination that the habeas action, on its face, lacks sufficient merit to warrant service. It would be highly unlikely for this Court to grant a certificate, thus indicating to the Sixth Circuit Court of Appeals that an issue merits review, when the Court has already determined that the action is so lacking in merit that service is not warranted. *See Love v. Butler*, 952 F.2d 10 (1st Cir. 1991) (it is "somewhat anomalous" for the court to summarily dismiss under Rule 4 and grant a certificate); *Hendricks v. Vasquez*, 908 F.2d 490 (9th Cir. 1990) (requiring reversal where court summarily dismissed under Rule 4 but granted certificate); *Dory v. Commissioner of Correction of the State of New York*, 865 F.2d 44, 46 (2d Cir. 1989) (it was "intrinsically contradictory" to grant a certificate when habeas action does not warrant service under Rule 4); *Williams v. Kullman*, 722 F.2d 1048, 1050 n.1 (2d Cir. 1983) (issuing certificate would be inconsistent with a summary dismissal).

The Sixth Circuit Court of Appeals has disapproved issuance of blanket denials of a certificate of appealability. *Murphy v. Ohio*, 263 F.3d 466 (6th Cir. Aug. 27, 2001). Rather, the district court must "engage in a reasoned assessment of each claim" to determine whether a certificate is warranted. *Id.* Each issue must be considered under the standards set forth by the

Supreme Court in *Slack v. McDaniel*, 529 U.S. 473 (2000). *Murphy*, 263 F.3d at 467. Consequently, this Court has examined each of Petitioner's claims under the *Slack* standard.

Under *Slack*, 529 U.S. at 484, to warrant a grant of the certificate, "[t]he Petitioner must demonstrate that reasonable jurists would find the district court's assessment of the constitutional claims debatable or wrong." The Court finds that reasonable jurists could not find that this Court's dismissal of each of Petitioner's claims was debatable or wrong. As noted by the Magistrate Judge, a Michigan prisoner does not have a liberty interest in parole. *Greenholtz v. Nebraska Penal Inmates*, 442 U.S. 1, 7 (1979); *see also Board of Pardons v. Allen*, 482 U.S. 369, 373, 107 S. Ct. 2415, 2418 (1987) (the presence of a parole system by itself does not give rise to a constitutionally protected liberty interest in parole release). Therefore, the Court will deny Petitioner a certificate of appealability.

Dated: June 7, 2007
